Table of Contents***Finance Agency Actions Concerning Credit Enhancement Requirements Could Have an Adverse Impact on Our MPP.***

On August 6, 2009, the Finance Agency issued a regulatory waiver to allow us to hold our existing MPP portfolio for one year from the date of the waiver, subject to certain conditions. For new MPP purchases, the waiver applied for six months from the date of the waiver, also subject to certain conditions. On February 18, 2010, the Finance Agency extended the expiration of its regulatory waiver for an additional six months, to August 6, 2010. If we are unable by the expiration of the waiver period to implement an alternative MPP product which meets the credit enhancement requirements of the Finance Agency regulation, and are unable to acquire new MPP loans, we face a loss of revenue from MPP. For additional information concerning this Finance Agency waiver, please refer to "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations — Recent Accounting and Regulatory Developments — Legislative and Regulatory Developments — Regulatory Waiver of SMI Rating Requirement for MPP Purchases."

Damage Caused by Natural Disasters or Acts of Terrorism Could Adversely Impact Us or Our Members.

Damage caused by natural disasters or acts of terrorism could adversely impact us or our members, leading to impairment of assets and/or potential loss exposure. Real property that could be damaged in these events may serve as collateral for Advances, or security for the mortgage loans we purchase from our members or the non-agency MBS securities we hold as investments. If this real property is not sufficiently insured to cover the damages that may occur, the member may have insufficient other collateral to fully secure its Advances, or the mortgage loan sold to us may be severely impaired in value.

ITEM 2. PROPERTIES

We own an office building containing approximately 117,000 square feet of office and storage space at 8250 Woodfield Crossing Boulevard, Indianapolis, IN, of which we use approximately 65,000 square feet. We lease or hold for lease the remaining 52,000 square feet to various tenants. We also maintain a leased off-site backup facility of approximately 6,800 square feet, which is on a separate electrical distribution grid. See the section captioned "Operations Risk Management" in "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations — Risk Management" herein.

In the opinion of management, our physical properties are suitable and adequate. All of our properties are insured to nearly replacement cost. In the event we were to need more space, our lease terms with tenants generally provide the ability to move tenants to comparable space at other locations at our cost for moving and outfitting any replacement space to meet our tenants' needs.

ITEM 3. LEGAL PROCEEDINGS

We have no material pending legal proceedings, and we are unaware of any potential claims that are material.

ITEM 4. RESERVED**ITEM 5. MARKET FOR REGISTRANT'S COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES****No Trading Market**

Our Class B Stock is not publicly traded, and there is no established market for such stock. Members may be required to purchase additional shares of Class B Stock from time to time in order to meet minimum investment requirements under our Capital Plan which was implemented on January 2, 2003, in accordance with provisions of the GLB Act amendments to the Bank Act and Finance Agency regulations. Our Class B Stock may be redeemed, at par value of \$100 per share, up to five years after we receive a written redemption request by a member, subject to regulatory limits and to the satisfaction of any ongoing stock investment requirements applicable to the member. We may repurchase shares held by members in excess of their required holdings at our discretion at any time.
